- From August 2022 to September 2022, Ridership increased more than 10%.
- Percent change from previous Fiscal year is 191%.
- Percent change from 2019 Fiscal year is -42%.

Transit Ridership

SFMTA Salesforce Transit Center Ridership 2019 to 2022

Transit Ridership

WestCAT reports a three-month average of approximately 12,500 from July to September 2022, with a steep rise in October 2022 to 17,140 – an increase of almost 40%.

JLL reports that as more employees have returned to the office, transit ridership post Labor Day in San Francisco is **up 30%** relative to 2021 levels and that demand for transit accessible offices remains *strong*.
